ANTI-AGING

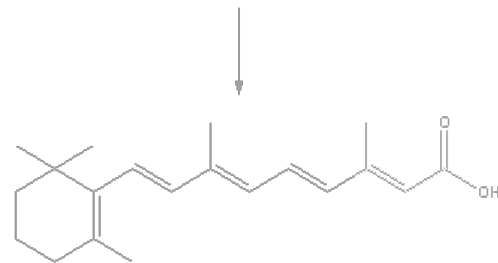

ALL-TRANS-RETINOL

All-*trans*-Retinol is the exact chemical analogue to

All-*trans*-Retinol

All-*trans*-Retinoic Acid
(tretinoin)

BENEFITS

- Far less irritating than retinoic acid with similar results
- Penetrates the skin better while remaining stable
- Helps to preserve the barrier function of the skin
- Retinol restores the retinoid storage pools that are rapidly stripped by scavengers & releases into the skin when needed
- Long term use of retinoic acid can lead to tolerance

NIGHT RESURFACING .3 | .5 | 1.0

RETINOL

IMPROVE
YOUR OVERALL

GLYCOLIC FACIAL CREAM 15% & 20%

Specialty: Treatment AM/PM

905MB
1.9 fl oz

This lightweight cream uses a rich pairing of ultra-pure crystalline glycolic acid and antioxidants to exfoliate and smooth skin. Targets uneven skin texture and tone, lines, wrinkles and large pores. This perfectly balanced formula exfoliates dead, dull cells while reintroducing nutrients and moisture into the stratum corneum, resulting in a younger-looking, glowing complexion.

BENEFITS

- Formulated with ultra-pure crystalline Glycolic Acid to gently exfoliate dead skin cells
- Targets uneven skin texture and tone, lines, wrinkles and large pores.
- Hydrating formula prevents TEML (trans epidermal moisture loss)
- A rich blend of antioxidants soothe and calm skin, minimizing free radical damage
- pH 4 encourages maximum patient compliance

KEY INGREDIENTS

GLYCOLIC ACID 15% (ALPHA HYDROXY ACID, pH 4)

Pharmaceutical-grade AHA supports cellular renewal by exfoliating and removing dead skin cells and maintaining moisture levels.

RETINYL PALMITATE (VITAMIN A DERIVATIVE)

Provides mild exfoliation while visibly thickening the dermis to minimize the look of fine lines, wrinkles.

PHOSPHOLIPIDS

Emollient that mimics the skin's natural lipids helps lock in moisture, protect a compromised skin barrier and aid in the delivery of actives to skin.

LIPOSOME ENCAPSULATED VITAMINS A-C-E, COQ10, GREEN TEA EXTRACT

Effectively deliver nutrients to the skin and provide antioxidant protection against free radical damage.

SQUALANE & GLYCERIN

Hydrating pairing locks in moisture, supporting continuous and optimal hydration. Pulls moisture into the skin while forming a breathable barrier on skin's surface.

EYE SMOOTHING & REPLENISHER

912MB

Formulated for the delicate area under the eyes. This nourishing serum delivers the super hydration benefits of hyaluronic acid to plump and smooth, while minimizing visible fine lines and wrinkles in the eye area.

Hyaluronic Acid, a powerful humectant which holds many times its weight in water

Vitamins A-C-E, Co-Q10 and Green Tea Extract assist in minimizing free radical-induced skin damage

Compatible with All-Trans-Retinol Eye Repair Cream

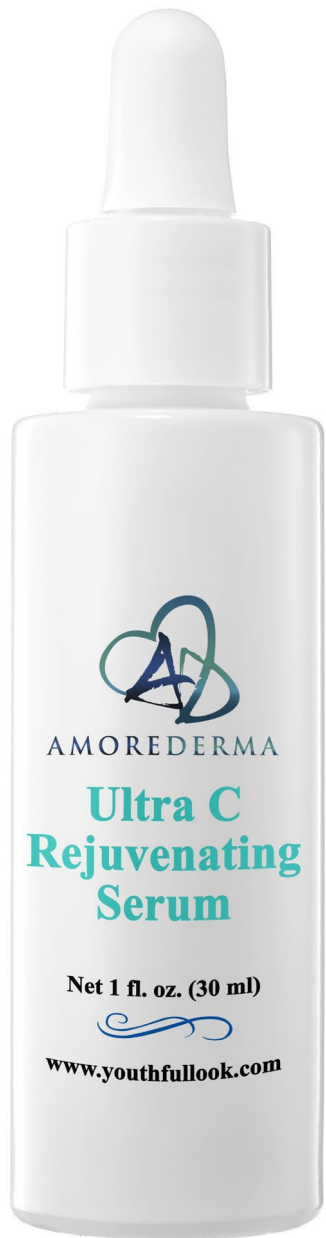

KEY INGREDIENTS

- + Hyaluronic Acid
- + Vitamins A-C-E
- + Green Tea Extract
- + Co-Q10
